70. Lisa Yuskavage

Boobylicious

American painter Lisa Yuskavage likes to portray stacked bimbos. Kitsch and cute, the work is far from ironic. But why the need to paint about sex? Yuskavage says: "Sex is shame, power and powerlessness, and it's the most convenient way to embarrass myself." Hmm. **The clincher** It's art, not pornography. Kind of. Lisa Yuskavage paintings start from £10,000 and are available from greengrassi, 39c Fitzroy Street, London W1P. Tel: 020-7387 8747.
